PLEASE NOTICE

· Do not edit or remove the White layer (unless knockout effects are desired. Request instructions file for that). This is an in-between ink blanket to ensure the metallic aspect of the can doesn't show through. The layer contains a rectangle filled with "whitex1" swatch and set to overprint;

· Include all artwork elements in one layer only; Art Layer

· **Please** outline (or expand) all fonts (request assistance if needed);

· **Please** embed all images (request assistance if needed);

· Do not include art elements inside the clear area;
